

*The Heart of Financial Planning™*

## **2010 FINANCIAL PLANNING DAYS Elizabeth – 10/16 & Newark – 10/23**

**FPA® - CFP Board - Foundation for Financial Planning - U.S. Conference of Mayors  
Partners in *Financial Planning Days* Nationwide.**

This ground-breaking program will assist those in need of financial guidance through a series of financial planning clinics powered by the financial planning community and embraced by city governments. As part of *Financial Planning Days*, competent and ethical financial planners will provide free, no-strings attached financial advice and education in communities throughout the country.

Through *Financial Planning Days*, the financial planning community aspires to help Americans discover the value of financial planning, improve the nation's economic stability, and develop and implement sustainable community programs that continue to grow and support our initiative over time.

**FPANJ** strongly supports this national initiative by hosting Financial Planning Days in **two** cities during our first Financial Planning Month with a major focus on service and public outreach. **We welcome and invite all FPANJ members to participate in *Financial Planning Days* in Elizabeth & Newark.**

Volunteer opportunities include, but are not limited to:

- Providing one-on-one private financial counseling for attendees
- Presenting educational workshops
- Administrative staffing support before and/or at event
- Promotional support to your clients and your community
